Robertson County Chamber Ambassador Application

Mission Statement:

The Chamber Ambassadors serve as the Chamber's official welcoming committee for new businesses and industries opening or expanding in Robertson County. The Ambassadors promote membership in the Chamber by serving on at least one committee, attending ribbon-cutting ceremonies and grand openings as well as by participating as hosts and greeters at Chamber events and other Chamber-related functions. Ambassadors will greatly impact the Chamber, as well as the business they are representing. These opportunities will provide individuals with intentional opportunities to be engaged in our community and make connections with folks they may never cross paths with in other avenues.
